Dear KT Family,

I want to personally thank you all for all your efforts in the KT for Syria Doctors Without Borders Fundraiser.

With all your hard work, we were able to surpass our \$10,000 goal for a grand total of \$11,111! This includes proceeds from all staff, students, parents, and friends of KT.

The idea for the fundraiser for Syria originated in August from KT Brooklyn Director, Nusrat Hoque. Nusrat and I felt that because we had such a large network at KT to tap into, organizing a fundraiser would be one of the most tangible and effective things we could do to play a part in helping aid the growing humanitarian crisis in Syria.

I'm so glad that we were able to come together for such a successful group wide effort surrounding one of the leading humanitarian disasters of our time.

Thank you again! Our much needed initiative will help Doctors Without Borders continue to carry out their life-saving work in the Syrian conflict.

All the best,

Nadia Hossain
Director of Common Core
